MEMORANDUM FOR: Director, National Security Agency

SUBJECT: Intelligence Community Assistance Required  
in Support of the Production of the National  
Intelligence Bulletin (NIB)

25X1 1. As you know, the USIB has approved the establishment of the National Intelligence Bulletin (NIB) as a daily national product to replace the Central Intelligence Bulletin (CIB). As agreed, [ ] has been appointed as the managing editor of the NIB. It is Mr. Cochran's intention to utilize the next month to complete NIB staffing and to conduct tests of NIB production procedures. It is his view that the NIB should be ready for full production about mid-May.

25X1 2. To assist [ ] in implementing this plan, I would appreciate it if you would nominate an officer to act as your in-house NIB representative on SIGINT matters. In addition, you are invited to identify a process-oriented NSA officer to work with the NIB staff to whatever extent you find useful. As you noted, this officer may well be of great help in advising the NIB managing editor on SIGINT matters.

Daniel O. Graham  
Lieutenant General, USA  
Deputy to the DCI for the  
Intelligence Community
